To Whom It May Concern:

I am writing this letter of recommendation on behalf of Lai Kwan "Lisa" Tong. She has been employed by the MJR Corporation since November 8, 1993 and has served as an integral part of our retail family. It is unfortunate that our company, after 20 years, has lost our contractual lease at the Honolulu International Airport, thus having to lose many good employees. Lisa is one that will surely be missed, but as they say ... "One's lost is another's gain".

Her loyalty and dedication to her job responsibilities and relationship with co-workers and superiors have been excellent. From a management standpoint, she has been a blessing to have on staff. Her punctuality, scheduling flexibility and sales ability has been more than commendable. Lisa has been a reliable "go to" person for me in our operation, as she has always been willing to perform and contribute beyond our normal expectations.

As she applies for a position in your organization, I can confidently say that you are considering an excellent employee candidate. I have no doubt that she will contribute as much and possibly more to this job she is seeking. Lisa takes it upon herself to learn, execute and produce; and as a result, she will continue to better herself and seek growth in her future endeavors.

**Aloha & Mahalo !**

Sincerely,

Clifton S. Imai  
Operations Manager
